MATZA
FOR INDUSTRY & TRADING

Matza Company for Industry and Trade - one of the leading companies specialized in the manufacture of household plastic products and poultry equipment. The company has been working in the field of poultry production supplies since 1999 - after the privatization of the National Plastic Company (National Plastic Factory) working in the field. Since 1950, with the help of long experience and leadership in the field.

Since its establishment, the company has relied on the formation of a specialized work team capable of providing integrated solutions in this field in line with the successive technological development at the scientific level and the potential differences. This is done by providing all the necessary tools to reach the highest levels of product quality and to constantly search for production developments to reach the highest levels of customer satisfaction.

Drinkers, Feeders,

Eggs Trays, Chicks Crates,

Slaughter Crates & Incubators

MISSION

We are constantly striving to improve the poultry industry by providing the best poultry equipment at the best total value to our customers through our quality people, processes, and technological innovations.

We provide high quality products for human consumption, certified according to quality and safety standards. To satisfy customers with consistent high quality poultry products and service. Profitability and growth will be achieved through a combination of optimum product, production efficiency and staff development in a safe and supportive work environment.

ALL YOU NEED FOR YOUR POULTRY FARM

100% NATURAL UNIQUE QUALITY

POULTRY PRODUCTS... FOR BETTER PRODUCTS

POULTRY QUALITY = QUALITY OF SERVICE

WE PROVIDE THE BEST QUALITY

VISION

The vision At Matza, is to be a leading poultry equipment company.

Our goal is to continue to strengthen our position in the market by growing our client portfolio, providing customized service and anticipating their demands.

We seek to reach the satisfaction of our customers by providing high quality products and excellent service.

MATZA IN INTERNATIONAL AND LOCAL EXHIBITIONS

Agrena Exhibition

Matza participated in Agrena Exhibition in Cairo that happens annually for the years from 2004 to 2019, the company presented, during the exhibition, a presentation of its latest distinguished products among a group of international companies

The company's pavilion witnessed a turnout of visitors to the exhibition.

KENYA EXHIBITION

The company participated in the international exhibition held in the State of Kenya to display its products and open the way for new markets, in order to continue the leadership of the Egyptian product and open new markets to confirm the quality and leadership of the Egyptian product.

The company's pavilion at the exhibition displayed the company's latest products and presented distinguished offers that were well received by visitors to the exhibition and exhibiting companies.

The company is keen to participate in local and international exhibitions to display and present the latest distinguished products, and to learn about industrial and technological developments in this field, and to achieve spread and communication with its customers.
